

CompleteForeclosures

Find your dream home at a foreclosure price. With the Complete Foreclosures real estate app for the iPhone, iPad and iPod Touch you can access millions of foreclosed, pre-foreclosed (short-sale), auction, and bank-owned homes throughout the nation right at your fingertips.

Complete Foreclosures provides easy access to each property's asking price, square footage, number of bedrooms and bathrooms, year built, housing type, and also includes a picture or aerial view of each home, a detailed map, driving directions and much more. We've also included a step-by-step Foreclosure Buying Guide within the app to help you make a safe and informed purchase with as little hassle possible.

Already have a home? With the Complete Foreclosures app for the iPhone, iPad and iPod Touch you can monitor the economic well-being of your neighborhood and be the first to know about pre-foreclosure notice-of-default document filings from missed mortgage payments.
